Single lifetime payment fees (at 2024)

Members under 75 years old may opt to make a single lifetime payment. Lifetime contributors will not be asked for any annual fees at any time in the future.

Life members continue to be eligible to stand for election to office and retain full voting and participation rights. Life members automatically receive the publications of the Academia, unless they are not wanted.

The Academia spreads the lifetime payments over a ten-year period, to meet accounting requirements.

The single payment is age related, so please choose the correct figure (or convert into Euros at the current rate).

Age at the time of payment:
Under 65 years old: 2000.00 GB pounds [equivalent to 2,330.00 Euros]
66 years old and over: 540.00 GB pounds [or 630.00 Euros]

Foreign members under 65 years old: 540 GB pounds [or 630.00 Euros]
Foreign members over 66 years old: 300 GB Pounds [or 350.00 Euros]

Options on methods of payment provided on page two.

Yours sincerely

Dr. David Coates
Executive Secretary
