**Prof. Dr. Ernst Hafen**

## DEVELOPMENTAL BIOLOGY

### Curriculum Vitae

Name HAFEN  
First Name Ernst  
Position Full Professor, Ph.D.

#### *Education*

1975 - 1979 Undergraduate studies (Diplom) in Biology II, Biocenter, University of Basel  
1980 - 1983 Ph.D. Thesis (summa cum laude), Department of Cell Biology, Biocenter, University of Basel  
Supervisor: Prof. Walter J. Gehring "Spatial Distribution of Transcripts from the Antennapedia Locus and other Developmentally Regulated Genes During Drosophila Development"

#### *Research experience and positions held*

1983 Research Assistant with W.J. Gehring, Biocenter Basel  
1984 - 1986 Postdoctoral Research Assistant with G.M. Rubin, Dept. of Biochemistry, U.C. Berkeley  
1987 - 1992 Assistant Professor for Dev. Genetics, University of Zurich  
Associate Professor for Dev. Genetics, University of Zurich  
1997 - 2005 Full Professor for Dev. Genetics, University of Zurich  
2005 - 2005 Director of the Zoological Institute  
2005 - 2006 Director of the ETH Zurich  
2006 - present Full Professor for Dev. Genetics, Institute for Molecular Systems Biology (IMSB), ETH Zurich
